SYMPOSIUM ON MEDICAL PHYSICS

Dear colleagues and friends,

On behalf of the Nepalese Association of Medical Physicists, it is my privilege to extend a warm invitation to you for attending "**Symposium on Medical Physics**" on the occasion of International Day of Medical Physics (IDMP) on 7th November, 2013 here at B.P. Koirala Memorial Cancer Hospital (BPKMCH), Bharatpur, Chitwan, Nepal. The 7th November is the Birthday of Nobel laureate Madam Curie, discover of radium. All national organizations of medical physicists are celebrating this event worldwide under the auspices of International Organization of Medical Physics (IOMP).

In the scientific program of the symposium guest speakers from India have confirmed their participation and there will be paper presentations and panel discussions on medical physics, radiation oncology, External beam Radiotherapy, 3DCRT, IMRT, IGRT, QA, HDR Brachytherapy, Dosimetry, Nuclear Medicine, PET/CT/MRI, Diagnostic Physics, Radiation Protection and Regulatory aspects.

I would like to invite all Medical Physicists, Radiation Oncologists, Radiologists, Doctors, Radiotherapy/Radiology Technologists, Technicians, Biomedical Engineers, Nurses and other relevant personnel in this scientific program. We can share and exchange our professional and scientific problems for seeking their solution. We hope we will share our knowledge among us.

Hope to see you at BPKMCH, Bharatpur, Chitwan.

Please send your abstract on or before 25th of October 2013.

With best regards

P.P. Chaurasia
P.P. Chaurasia,
President, NAMP
