Venue: Auditorium SMS Medical College & Hospital, Jaipur
Dear Colleagues,

We are pleased to invite you to participate in Conference on Radiation in Health Care ‘CRHC-2013’ being organized (under auspices of Association of Medical Physicists of India-Northern Chapter AMPI-NC) by Department of Radiological Physics, SMS Medical College & Hospital, Jaipur during 07 & 08, November, 2013.

As medical imaging technologies are evolving rapidly and pioneer radiotherapy techniques have considerably improved the outcome of cancer therapy, medical physicists become more and more important in the clinical environment. Medical physicists play an important role in healthcare services, research and development of healthcare technologies & clinical techniques & teaching and training of healthcare professionals. Yet, they are, in general, invisible to members of the public. In order to promote the visibility and professional status of the medical physicists and to raise awareness, the International Organization for Medical Physics [IOMP] decided to celebrate annually the “International Day of Medical Physics (IDMP) on November 7”, an important date in the history of medical physics. On that day in 1867, Marie Curie, known for her pioneering research on radioactivity, was born in Poland. A great discovery took place on 8 November 1895. Prof. W. C. Roentgen discovered the X-rays which is the greatest discovery of 20th century that has revolutionised the medical diagnosis. To commemorate the discovery of X-rays, 8 November is celebrated as “World Radiography Day”. The medical use of radiation for diagnosis of various diseases and the treatment has been practiced since the discovery of X-rays and radioactivity. Today, medical imaging is a ubiquitous part of any medical management of patients. However radiation is a double edge sword and should be used with care. Well trained radiographers/radiation technologists are the health professionals who are the backbone of any radiation department/facility.

Organising Committee is making its sincere efforts to make this meet successful and memorable. We have planned a comprehensive scientific programme including oration, talks by eminent speakers and panel discussion. This conference will be of immense important for all who are dealing with radiation e.g. radiologists, radiotherapists, medical physicists, radiobiologists, radiographers, researchers and students. We request you to kindly fill in the forms and send along with your registration fee at the earliest so that we can plan in advance for your comfortable and fruitful stay in Jaipur.

Jaipur “Pink City of India” is most celebrated city of legendary Rajputana, the land of Rajput velour, still retains its beauty and charm despite the process of modernisation. It was founded in 1727 AD by one of the great rulers of Kachhawaha clan, the astronomer king Sawai Jai Singh II and still retains its splendid velour. Jaipur is one of the world heritage city. Jaipur city has many touristic destinations to name Albert Hall, City Palace, Hawa Mahal, Jantar Mantar, Sisodia Rani ka Bag, Tal Katora, Jai Niwas Garden, Govind Devji Temple, Birla Mandir, Kanak Vrindavan, Amber, Jaigarh and Nahargarh forts etc.

Looking forward to your kind visit to Jaipur.

Conference on Radiation in Health Care
“CRHC-2013”
7th & 8th November, 2013, Jaipur, Rajasthan
Organized by
Department of Radiological Physics, SMS Medical College & Hospital, Jaipur
Under the auspices of
Association of Medical Physicists of India (Northern Chapter)-AMPI-NC

REGISTRATION FORM

Name (Prof./Dr./Mr./Ms.): .................................................................
Address: ..........................................................................................
Pincode: ............................................................. City: ......................... State: ..........................
E-mail: ..........................................................................................
Tel. No.(M): ......................... Tel. O/R: ................................ Accompanying person’s Name (If Any): .......................................................
Sex: (M/F) : ..................

Payment Details:
Registration Fee: ..........................................................................
Amount Rs.: ..........................................................................
Accommodation Charges (Optional): ..........................................

Please find enclosed herewith D.D. of Rs. ................... no. .................
dated ......................... drawn on bank ............................................. payable at Jaipur in favour of “CRHC-2013”
Students/research scholars should submit the certificate from Head of the Department/Institution.
Photostat of registration form may also be used.

Date: ......................................................... Signature: ..........................................

Please fill in the form and send by E-mail or post to the Conference Secretariat at the following address:
