Subject: Invitation to become a Corporate member of IOMP

Dear Colleague in Industry,

I am happy to invite you to be a corporate member of the International Organization for Medical Physics (IOMP)- the world's premier professional organization for medical physics.

IOMP has a membership of 85 National Member Organizations, representing more than 25,000 individual medical physicists. Our mission is to promote the advancement of medical physics worldwide for the purpose of providing highest quality medical services for patients.

Being a Corporate Member, your company will be listed in the IOMP website with a direct link to your company's product page or the preferred page. Further, your company will be eligible for a 50% discount on your advertising costs in IOMP publications that include the semi-annual electronic bulletin Medical Physics World (eMPW), which is emailed actively to all our members, as well as posted on the IOMP website. Some issues of eMPW will be printed for distribution at major medical physics, radiology and some radiotherapy meetings.

I look forward to welcoming you to IOMP corporate membership and to gain access to the worldwide medical physics community. You are invited to visit the IOMP website at www.iomp.org or contact Ms. Sally Hawkins at the IOMP Headquarter as per contact below or our Treasurer Ibrahim Duhami as per contacts on left bar of this letter.

Sincerely

Madan M. Rehani
