

JULY 12–16 **VIRTUAL** EASTERN TIME [GMT-4]
JOINT AAPM | COMP MEETING

**Reduced Registration Rate for Individuals Residing in
AAPM Recognized Developing Countries of **US\$100**
for the [2020 Joint AAPM | COMP Virtual Meeting](#)
July 12—16, 2020 [Eastern Time, GMT-4]**

As you may already know, due to continually escalating health concerns relating to the spread of the coronavirus disease (COVID-19), AAPM and COMP decided to forgo the physical meeting in Vancouver and pilot the first-ever all-virtual Joint AAPM | COMP Meeting. This virtual experience will offer participants the same great joint meeting content simply via a different delivery system, at a far lower cost, **with content available for you to view for six weeks following the meeting!**

Perhaps you have always wanted to attend but you have been unable given the necessary registration, travel, and lodging costs. Virtual meetings have universal ease-of-access—you can **participate from anywhere** you have an internet connection. **And the TOTAL cost will be US\$100.**

Sound good? Take a moment to review the [Meeting Program-at-a-Glance](#) and compare it to your own schedule. When doing so, please note: the virtual meeting program will be held in Eastern Time (GMT-4:00).

To register for the 2020 Joint AAPM | COMP Virtual Meeting for just US\$100, please email [Jordan Kehrt](#) to request the necessary promo code.

We wish you, your families, and your communities well in these difficult times. Take care, stay healthy—and hopefully we'll “see” you ONLINE at the 2020 Joint AAPM | COMP Virtual Meeting!

Sincerely,

Your AAPM (Virtual) HQ Team
