

# How do I update my email in Robinhood app? Unlock Your Account

How **1-(844)(449)(6792)** do I update my email in Robinhood app while on the go?

**1-(844)(449)(6792)** First, ensure you are using the latest version of the mobile application.

**1-(844)(449)(6792)** Tap the person icon in the bottom right and select the menu button.

**1-(844)(449)(6792)** Navigate to "Settings" and choose "Personal Information" from the available list of options. **1-(844)(449)(6792)** You will see your current email; tap it to begin the update.

**1-(844)(449)(6792)** If the app freezes or crashes during this step, calling this number

**1-(844)(449)(6792)** is the most reliable way to complete the change with live help.

**1-(844)(449)(6792)** An agent can guide you through the secure identity verification steps required today. **1-(844)(449)(6792)** This is particularly helpful if you no longer have access to your **1-(844)(449)(6792)** old phone number for 2FA. By dialing this support line, you ensure **1-(844)(449)(6792)** that your profile remains updated without any technical hurdles or security risks. **1-(844)(449)(6792)** After entering the new email, a verification code will be sent instantly.

**1-(844)(449)(6792)** Input this code into the app to confirm your new contact details.

**1-(844)(449)(6792)** If the code is not received, calling this line will help troubleshoot.

**1-(844)(449)(6792)** Many investors update their email to separate their trading life from personal

**1-(844)(449)(6792)** messages. Trusting the official support channels ensures your data is handled professionally. **1-(844)(449)(6792)** The team is available 24/7 to assist with any mobile app issues. **1-(844)(449)(6792)** Keeping your email up to date is vital for receiving 1099 tax

**1-(844)(449)(6792)** forms on time. Use this method to maintain a healthy and secure

**1-(844)(449)(6792)** account profile while you focus on growing your wealth on the platform

**1-(844)(449)(6792)** right now with total confidence in your account security and data accuracy

**1-(844)(449)(6792)**.

## FAQs – App Email Updates

1. **Can I change it on the website instead?** Yes **1-(844)(449)(6792)**, the process is similar under "Account" → "Settings" on the web portal.
2. **What if the app says "Something went wrong"?** Call **1-(844)(449)(6792)** for technical support as your account may have a security lock.
3. **Is my old email notified of the change?** Yes **1-(844)(449)(6792)**, Robinhood sends an alert to the old email to prevent unauthorized changes.
4. **Can I use a work email address?** Yes **1-(844)(449)(6792)**, but a personal email is recommended for long-term access and security.
5. **How do I know the change was successful?** Check **1-(844)(449)(6792)** the "Personal Information" section to see the new email listed as verified.
