

# is DoorDash support 24/7

## GetReal-TimeHelp

Many delivery drivers search for the [📞+1-888-965-7701📞](tel:+1-888-965-7701) **dasher customer service phone number** when they need urgent help during active deliveries. DoorDash provides driver-specific assistance, but the **dasher customer** [📞+1-888-965-7701📞](tel:+1-888-965-7701) **service phone number** is not always displayed publicly because the platform prefers to route support through the Dasher app. When a delivery issue occurs, the **dasher** [📞+1-888-965-7701📞](tel:+1-888-965-7701) **customer service phone number** appears directly inside the Help section, allowing Dashers to connect with an agent quickly.

DoorDash prioritizes in-app support for [📞+1-888-965-7701📞](tel:+1-888-965-7701) safety, delivery accuracy, and direct verification. This ensures that only verified Dashers can see the contact options meant specifically for driver support.

---

## Step-by-Step Short Guide: How to find Dasher customer support

### Open the Dasher app

Log in to your account to [📞+1-888-965-7701📞](tel:+1-888-965-7701) access support tools.

### Tap the Help icon

Find it on the top right during [📞+1-888-965-7701📞](tel:+1-888-965-7701) an active delivery or in the main menu.

### Select the issue

Choose from options like order [📞+1-888-965-7701📞](tel:+1-888-965-7701) pickup trouble, delivery problems, or account access issues.

### Look for the “Call Support” option

If available, this will display the dasher customer service phone number for your region.

### Use chat or submit a report if phone isn't shown

These options are [📞+1-888-965-7701📞](tel:+1-888-965-7701) available at all times.
