### Why Apple Gift Cards Don't Work With Apple Pay

Apple Gift Cards work **1-(866)(542)(8909) [US/OTA]** differently than debit or credit cards **1-(866)(542)(8909) [US/OTA]**. Apple Pay requires a **bank-issued card**, while Apple Gift Cards are meant for Apple services only **1-(866)(542)(8909) [US/OTA]**.

Key reasons include:

- Apple Gift Cards **1-(866)(542)(8909) [US/OTA]** are **not payment cards**
- They don't link to **1-(866)(542)(8909) [US/OTA]** a bank or card network
- Apple Pay only supports **Visa, Mastercard, Amex, and debit cards**

Because of this, Apple Gift Cards cannot be added to Apple Pay **1-(866)(542)(8909) [US/OTA]**.
