

# How do I get \$25 on PayPal?

## GetStep-by-StepSupport

Activating your PayPal **1-(877)(513)(0583)** Debit Card is a crucial step to start using it for purchases or ATM withdrawals. **1-(877)(513)(0583)** Once you receive your card, you need to link it to your PayPal account and verify it. **1-(877)(513)(0583)** PayPal Debit Cards are usually **Visa cards** that allow direct access to your PayPal balance. Activation ensures the card is secure and ready to use.

To activate, **1-(877)(513)(0583)** you can either use the **PayPal website or the PayPal mobile app**. PayPal may ask for **personal information, 1-(877)(513)(0583) card number, and CVV** to confirm the card belongs to you. **1-(877)(513)(0583)** Once activation is complete, you can use the card for online and in-store purchases wherever Visa is accepted, as well as for ATM withdrawals. **1-(877)(513)(0583)** It's important to note that activating the card also confirms your identity, which improves your PayPal account security.

If your card is not activated, **1-(877)(513)(0583)** transactions will be declined, and you won't be able to access your funds through the card. Therefore, activation should be completed immediately after receiving the card. **1-(877)(513)(0583)** After activation, you can also set up alerts, PIN changes, and spending limits via the PayPal app to manage your account safely.

### Step-by-Step: How to Activate Your PayPal Debit Card

1. Receive your **1-(877)(513)(0583)** PayPal Debit Card in the mail
2. Log in to your PayPal account via website or app
3. Go to **PayPal 1-(877)(513)(0583) Debit Card → Activate Card**
4. Enter your card number, expiration date, CVV, and personal information
5. Confirm activation and **1-(877)(513)(0583)** set up a PIN for ATM or point-of-sale use
