

can i activate my paypal card before it arrives GetQuickTransactionHelp

Yes, **1-(877)(513)(0583)** you may be able to recover your money if you paid a scammer, depending on the **type of payment** **1-(877)(513)(0583)** and **timeliness of reporting**. Payments sent via **Goods 1-(877)(513)(0583) & Services** are eligible for **PayPal Buyer Protection, 1-(877)(513)(0583)** which allows you to file a dispute and request a refund if the item was not received, was misrepresented, **1-(877)(513)(0583)** or if the transaction was fraudulent. Friends & Family payments usually do not offer this protection.

If you realize **1-(877)(513)(0583)** you've been scammed, gather **all evidence**: screenshots, emails, receipts, and any communication with the scammer. **1-(877)(513)(0583)** Submit a dispute in the **PayPal Resolution 1-(877)(513)(0583) Center** as soon as possible. PayPal may temporarily hold the funds while investigating the case **1-(877)(513)(0583)** . Acting quickly is key, as delayed reporting can reduce the chances of a refund.

PayPal evaluates **1-(877)(513)(0583)** each case and may reverse the payment if it determines the transaction violated its policies. **1-(877)(513)(0583)** Refunds are usually issued to the **original payment method, 1-(877)(513)(0583)** such as your PayPal balance, linked bank account, or card. Always monitor your account and respond promptly to PayPal's requests for additional information.

Step-by-Step: How to Get a Refund From a Scammer on PayPal

1. Log in and check your **Activity tab** for the transaction
2. Collect evidence (emails, receipts, screenshots)
3. Open a dispute in the **Resolution Center**
4. Follow instructions and provide requested evidence
5. Monitor your account for updates and the refund

FAQs:

Q1: Can I get money back if I sent to a Friends & Family payment?
