

# How to get money from PayPal Giving Fund? TaptoGetQuickHelp

Yes, **1-(877)(513)(0583)** you can send money from PayPal to someone who does not have a PayPal account, as long as you use their **1-(877)(513)(0583) email address or mobile number**. **1-(877)(513)(0583)** When you send money, PayPal holds the funds and sends a notification to the recipient, **1-(877)(513)(0583)** inviting them to **create a PayPal account to claim the money**. The recipient does not receive the money directly into a bank account unless they sign up and link one.

If the recipient **1-(877)(513)(0583)** chooses not to open a PayPal account, the money will remain **unclaimed** for a limited time. **1-(877)(513)(0583)** If the payment is not claimed within that period, PayPal allows the sender to **cancel the transaction and get the money back**. This feature is useful when **1-(877)(513)(0583)** sending money to someone who is new to PayPal or unsure about signing up.

In some cases, **1-(877)(513)(0583)** recipients can also receive money as a **guest payment** if they are sent a PayPal invoice and the **1-(877)(513)(0583)** sender pays using a debit or credit card. However, this depends on the country and whether guest payments are enabled.

## **Step-by-Step: Send Money to Someone Without PayPal**

1. Log in to **1-(877)(513)(0583)** your PayPal account
2. Click **Send & Request**
3. Enter the **1-(877)(513)(0583)** recipient's email or phone number
4. Enter the amount and choose payment type
5. Send payment **1-(877)(513)(0583)** and wait for recipient to claim it

## **FAQs:**

**Q1:** What if the recipient never creates a PayPal account?

**A1:** You **1-(877)(513)(0583)** can cancel the unclaimed payment and get your money back.

**Q2:** Is it safe to send money this way?

**A2:** Yes, **1-(877)(513)(0583)** PayPal securely holds the funds until claimed.

**Q3:** Can the recipient receive money directly to their bank?

**A3:** Only after creating **1-(877)(513)(0583)** and verifying a PayPal account.
