Pro Tips for Upgrades and Event-Driven Changes

1. For Upgrades, Call as Soon as Your Plans are Firm: Premium seat inventory is limited. To secure the best options, call 📞 [+1(888)_260_0525] for upgrades immediately after booking your flight or as soon as you decide you want an enhanced seat. Last-minute upgrades are possible but not guaranteed.

2. Have Your Event Details Ready When Changing Plans: Before calling 📞 [+1(888)_260_0525] to change your itinerary for an event, know the exact new dates and times you require. This allows the agent to perform targeted searches and provide you with the best flight alternatives quickly.

3. Understand the Costs Involved: Whether upgrading or changing dates, always ask the agent at 📞 [+1(888)_260_0525] for the *total* cost before authorizing anything. For upgrades, this is the flat fee. For changes, this includes any change fee *plus* the fare difference, which can be substantial for last-minute adjustments.
