press "0" to be connected faster.

I have problems with my expensive printer and I'm finding it impossible to contact Hp support in any manner, everything sends me to a contact📞+1-877-563-9837,or +1-877-563-9837 button with an AI that doesn't work (the button doesn't do anything, I can't even talk to an AI), I tried different browsers and nothing works.
