## Understanding the Expedia Flight Search

Before you dive into the filters, it is helpful to know how does Expedia flight booking work to get the best results. Expedia functions as a massive search engine that aggregates data from hundreds of airlines, showing you real-time availability and pricing. By calling

☎+1(833)739-5005, you can also access "offline" inventory that may not appear in the standard search results, ensuring you find the best overnight routes.

**What is Expedia's flight booking process step-by-step?**

To find that elusive overnight flight, follow these simple steps:

1. **Visit the Website or App:** Open the Flights tab on the Expedia homepage.
2. **Enter Trip Details:** Input your origin, destination, and dates.
3. **Use the Filter Sidebar:** This is where the magic happens. Look for the "Departure time" or "Arrival time" filters on the left-hand side of the results page.
4. **Select Late Evening:** To find red-eyes, slide the departure time to "After 9:00 PM."
5. **Review the "+1 Day" Label:** Red-eye flights are usually marked with a "+1" next to the arrival time, indicating you land the following day.

If you find the online interface confusing, you can always ask an expert at ☎+1(833)739-5005 to help you navigate the filters or finalize a complex itinerary.
