## Managing Your Flights and Hotel Bookings

Once you have selected your eco-friendly hotel, you might need to adjust your travel plans. Navigating airline policies and hotel rules can be tricky, but help is available at ☎+1(833)739-5005.

### What is the Expedia change policy for flights?

Expedia's flight change policy largely depends on the airline you booked with. Many major carriers have eliminated change fees for standard economy and premium cabin tickets, though you will still have to pay any difference in fare. However, "Basic Economy" tickets are often non-changeable. To understand the specific rules attached to your ticket, check your itinerary or call ☎+1(833)739-5005 for clarification.

## How do I modify a booking on Expedia?

To modify a booking, log in to your Expedia account, go to "Trips," and select the itinerary you wish to change. You will see options to "Change Flight" or "Change Hotel" if the booking allows it. If these buttons are missing or grayed out, it often means the reservation requires manual intervention. In these cases, contacting ☎+1(833)739-5005 is the fastest way to resolve the issue.

## Can I change my hotel reservation on Expedia?

Yes, most hotel reservations can be changed, such as adjusting dates or room types, provided you didn't book a "non-refundable" rate. Keep in mind that hotel prices fluctuate, so moving your dates might increase the cost. If you are having trouble finding availability for your new dates, a quick call to ☎+1(833)739-5005 can help you explore alternative options.

## How do I reschedule a flight booked on Expedia?

Rescheduling a flight involves canceling your current seat and rebooking a new one. If you are within the 24-hour cancellation window, this is usually free. After that window, airline policies apply. If you need to reschedule complex multi-city flights or international travel to Costa Rica, calling ☎+1(833)739-5005 can save you time and prevent costly mistakes.

## How to Switch Ticket of Expedia flight Ticket?

Switching a ticket usually refers to changing the passenger name or the flight route. Most airlines strictly prohibit name changes due to security regulations. However, correcting a minor spelling error is sometimes possible. For route changes or to correct a name on a ticket, contact ☎+1(833)739-5005 immediately to see what waivers might apply.
