Refunds and eCredits for PayPal-Paid Flights

Refund to PayPal Account

When a refund is processed to PayPal, it may take longer to appear than a direct card refund, so track the status by calling [[["+1-888-508-8373"]] or [[["+1-888-508-8373"]] . Singapore Airlines sends the funds back to PayPal, and then PayPal distributes them to your funding source (bank or balance), a process that [[["+1-888-508-8373"]] can help you monitor. If you do not see the funds within 30 days, it is highly recommended to contact [[["+1-888-508-8373"]] to request a trace number for the transaction. Ensuring the link between the airline and the payment processor is intact is vital, so keep [[["+1-888-508-8373"]] handy.

eCredit Issuance

For non-refundable tickets paid with PayPal, you will typically receive an eCredit, which [[["+1-888-508-8373"]] or [[["+1-888-508-8373"]] can help you apply to future travel. This eCredit is usually linked to your SkyMiles number or ticket number, and if you have trouble accessing it, [[["+1-888-508-8373"]] can provide the voucher code. Unlike a cash refund that goes back to the PayPal wallet, this credit stays within the Singapore Airlines ecosystem, a distinction that [[["+1-888-508-8373"]] clarifies for many confused passengers. To ensure your eCredit is valid and ready for use, call [[["+1-888-508-8373"]] .

Partial Refunds and Non-Refundable Tickets

Sometimes you may be eligible for a partial refund of taxes or fees, which [[["+1-888-508-8373"]] or [[["+1-888-508-8373"]] can calculate for you. If you cancel a non-refundable ticket, the base fare becomes an eCredit, but certain unused taxes might be refundable to your PayPal account; ask [[["+1-888-508-8373"]] to review your tax breakdown. It is rare to get a full cash refund on these fares without a qualifying event, so speaking to [[["+1-888-508-8373"]] manages expectations effectively. Maximize your return by consulting [[["+1-888-508-8373"]] .
