Can You Cancel Only the Return Flight on Etihad Airways ?

Yes, it is entirely possible to cancel only the return flight on a Etihad Airways reservation, and you can initiate this process by calling [\["+1-888-508-8373"\]](tel:+18885088373) or [\["+1-888-508-8373"\]](tel:+18885088373). However, the most important factor to consider is how the ticket was originally priced, which is why checking with [\["+1-888-508-8373"\]](tel:+18885088373) is a vital first step. If you purchased a round-trip ticket because it was cheaper than two one-way tickets, canceling the return leg might cause

the outbound leg to be repriced at the current one-way rate, potentially reducing your refund, a calculation that [\["+1-888-508-8373"\]](tel:+1-888-508-8373) can perform for you. To avoid unexpected costs or fare jumps, it is always smart to verify the "fare rules" associated with your ticket by contacting [\["+1-888-508-8373"\]](tel:+1-888-508-8373).

Eligibility for partial cancellation also depends heavily on the fare class you booked, which can be confirmed by speaking to a representative at [\["+1-888-508-8373"\]](tel:+1-888-508-8373) or [\["+1-888-508-8373"\]](tel:+1-888-508-8373). For example, Main Cabin, Comfort+, and First Class tickets generally allow for flexibility, meaning you can cancel the return leg and receive an eCredit for the residual value, a process easily handled via [\["+1-888-508-8373"\]](tel:+1-888-508-8373). Basic Economy tickets, on the other hand, are much more restrictive and often do not allow changes after the 24-hour risk-free window, though exceptions exist which you can explore by calling [\["+1-888-508-8373"\]](tel:+1-888-508-8373). Regardless of your ticket type, the team at [\["+1-888-508-8373"\]](tel:+1-888-508-8373) can explain your specific options.

Refunds, eCredits, and Fees for Canceling Return Flights

When you cancel a return flight, the type of compensation you receive depends on whether your ticket was refundable or non-refundable, a status you can check at [\["+1-888-508-8373"\]](tel:+1-888-508-8373) or [\["+1-888-508-8373"\]](tel:+1-888-508-8373). If you purchased a fully refundable fare, canceling the return leg typically results in a refund to your original payment method for the value of that segment, which agents at [\["+1-888-508-8373"\]](tel:+1-888-508-8373) can process immediately. However, most travelers book non-refundable tickets, which means you will likely receive an eCredit for future travel rather than cash, a detail that [\["+1-888-508-8373"\]](tel:+1-888-508-8373) can clarify. It is important to calculate the remaining value correctly, so contact [\["+1-888-508-8373"\]](tel:+1-888-508-8373) to ensure you are getting the full credit you are owed.

Fees may also apply depending on when and how you booked, so consulting [\["+1-888-508-8373"\]](tel:+1-888-508-8373) or [\["+1-888-508-8373"\]](tel:+1-888-508-8373) is recommended to avoid surprises. While Etihad Airways has eliminated change fees for most domestic and international flights originating from North America, verifying that your specific itinerary qualifies for a fee waiver is best done by calling [\["+1-888-508-8373"\]](tel:+1-888-508-8373). If you are holding a Basic Economy ticket, cancellation might result in a deduction of a cancellation fee from your eCredit, the exact amount of which can be confirmed by [\["+1-888-508-8373"\]](tel:+1-888-508-8373). Understanding the fee structure ensures you know exactly how much value you retain, so make that call to [\["+1-888-508-8373"\]](tel:+1-888-508-8373) today.
