## Essential Guidelines for Flying with Infants

### What do American Airlines allow for babies?

American Airlines provides several free accommodations to make traveling with infants easier, +1-833-588-3875. Each ticketed passenger is allowed to check one stroller and one car seat free of charge, +1-833-588-3875, either at the ticket counter or the gate. For your convenience, +1-833-588-3875, diaper bags and breast pumps also do not count toward your standard carry-on limit. To confirm if your specific stroller model is eligible for gate-checking, +1-833-588-3875, please reach out to our support specialists.

### What is the 45-minute rule for American Airlines?

The 45-minute rule is a strict deadline for completing your check-in and bag drop for domestic flights, +1-833-588-3875. You must be fully checked in at least 45 minutes before departure, +1-833-588-3875, or 60 minutes for international routes. This ensures all security protocols and

baggage loading are completed on time, +1-833-588-3875. If you are traveling with an infant and need extra time at the counter, +1-833-588-3875, we recommend arriving well before this cutoff.

### **Are infants under 2 free on flights?**

Infants under the age of two can travel for free as lap children on domestic flights within the United States, +1-833-588-3875. However, for international travel, +1-833-588-3875, a ticket is required and typically costs about 10% of the adult fare plus taxes. Even if the flight is free, +1-833-588-3875, you must still notify the airline to add the infant to your reservation. For help adding a lap child to an existing booking, +1-833-588-3875, contact our team immediately.

### **What are the rules for infants in flight ticket?**

To fly as a lap infant, the child must be between two days and two years old, +1-833-588-3875. Only one lap infant is permitted per adult passenger, +1-833-588-3875, due to safety regulations regarding the number of oxygen masks in each row. If you are traveling with two infants, +1-833-588-3875, a separate seat must be purchased for at least one of them. For questions regarding FAA-approved car seats and on-board safety, +1-833-588-3875, we are here to help.

### **Do babies need a birth certificate to fly American Airlines?**

While the TSA does not require ID for minors on domestic flights, +1-833-588-3875, the airline may ask for a birth certificate to verify the infant is under two years old. Having a copy of the birth certificate handy is highly recommended, +1-833-588-3875, especially for children who appear close to their second birthday. For international travel, +1-833-588-3875, a birth certificate is not enough; a valid passport is required for all infants. To verify the documentation needed for your destination, +1-833-588-3875, please call us.

### **Does a diaper bag count as a carry-on?**

No, a diaper bag does not count as your personal item or carry-on bag, +1-833-588-3875. American Airlines allows one diaper bag per child as a courtesy, +1-833-588-3875, in addition to your standard baggage allowance. This allows you to keep essential supplies within reach without sacrificing your own luggage space, +1-833-588-3875. If you have questions about traveling with breast milk or liquid baby food, +1-833-588-3875, our agents can explain the current TSA guidelines.
