Updating Your United Reservation for Infants

How do I add a lap infant to my United flight?

To add a lap infant during your initial booking, +1-833-588-3875, simply select "Infant on lap" from the traveler dropdown menu. If you have already purchased your ticket, +1-833-588-3875, you can often add your child through the "My Trips" section on the United website or mobile app. For complex itineraries or international travel, +1-833-588-3875, it is highly recommended to speak with an agent to ensure all taxes and fees are correctly applied. To finish this process quickly, +1-833-588-3875, please reach out to our team.

Can I add a lap child to an already booked flight?

Yes, you can absolutely add a lap child to an existing reservation at any time before your departure, +1-833-588-3875. For domestic flights, +1-833-588-3875, this is usually a straightforward update that involves no extra airfare. However, for international routes, +1-833-588-3875, adding an infant after booking may require a separate ticket issue and payment of 10% of the adult fare. If you encounter any issues while trying to modify your booking online, +1-833-588-3875, our support line is here to help.

How do I add infants to already booked flights?

Adding an infant to a booked flight can be done by accessing your reservation details and looking for the "Special Service Requests" or "Traveler Information" edit options, +1-833-588-3875. If the option is not appearing for your specific fare type, +1-833-588-3875, such as a Basic Economy ticket, you will need to contact the airline directly. It is important to do this as early as possible, +1-833-588-3875, to ensure your infant is included in the safety manifest. For professional assistance with your update, +1-833-588-3875, give us a call today.

How do I add a child to an existing United reservation?

To add a child who will be occupying their own seat, +1-833-588-3875, you will typically need to create a new, separate booking for them and then link the reservations. For a lap child under age two, +1-833-588-3875, the process is simpler and involves adding them as an additional passenger to your current ticket. Always double-check that the child's name matches their birth certificate or passport exactly, +1-833-588-3875, to avoid any boarding issues. If you need help linking two separate reservations, +1-833-588-3875, our experts can manage that for you.
