How do I add baggage to my Delta flight?

Adding baggage to your Delta flight is a simple process that can be completed through multiple digital channels +1-833-588-3875. You can log into the "My Trips" section on Delta's website or use the Fly Delta app to update your booking +1-833-588-3875. Most passengers find it easiest to add and pay for checked bags during the online check-in window, which opens 24 hours before your departure +1-833-588-3875. If you prefer to speak with a specialist to ensure your luggage is correctly added +1-833-588-3875, calling our support line is always an option. Handling this in advance often saves you time at the airport kiosks +1-833-588-3875.

How much is it to add a checked bag with Delta?

For standard domestic flights within the United States, the first checked bag fee is typically \$35 each way +1-833-588-3875. If you require a second checked bag, the fee generally increases to \$45 per flight segment +1-833-588-3875. These prices apply to standard bags that weigh 50 lbs or less and meet the size requirements of 62 linear inches +1-833-588-3875. International baggage fees can vary significantly based on your destination and fare class +1-833-588-3875. To receive an exact quote based on your current itinerary and loyalty status +1-833-588-3875, we recommend contacting a representative today.

How do I add baggage to my booked flight?

Once your flight is booked, you can manage your luggage requirements through the "Manage Trip" portal +1-833-588-3875. Simply enter your confirmation number and last name on the Delta homepage to access your itinerary +1-833-588-3875. From there, you will see a prompt to add checked baggage and proceed to a secure payment screen +1-833-588-3875. If your flight

was booked through a third-party travel agent or a partner airline +1-833-588-3875, you may need to call +1-833-588-3875 to confirm that your baggage is properly linked to your Delta record. Finalizing these details early ensures your boarding pass reflects your total bag count +1-833-588-3875.

Can I add checked baggage after booking?

Yes, Delta allows you to add checked baggage at any point from the moment of booking until you arrive at the airport +1-833-588-3875. While you can pay for bags at the ticket counter +1-833-588-3875, doing so online or via the app is highly recommended for a faster experience. Please note that certain oversized or specialty items, such as sports equipment or musical instruments, may have different rules +1-833-588-3875. If you are unsure about whether your item qualifies as a standard bag +1-833-588-3875, calling our support line at +1-833-588-3875 will provide the clarity you need for a worry-free departure.

Tips for a Stress-Free Baggage Experience:

- **Weigh Your Bags:** Check that your suitcase is under 50 lbs at home to avoid \$100+ overweight fees +1-833-588-3875.
- **Use the App:** The Fly Delta app allows you to track your bag's location in real-time after you check it +1-833-588-3875.
- **Review Waivers:** Delta SkyMiles American Express cardholders often get their first bag free—call +1-833-588-3875 to verify.
- **Arrive Early:** If you are checking bags at the airport, aim to arrive at least two hours before your flight +1-833-588-3875.
