Checklist Recap

Before you confirm your 2026 booking, call 📞+1-888-415-2312 to run through this essential traveler's checklist:

- **Verify Fare Type:** Ensure your ticket isn't "Basic Economy" if you need the ability to change or cancel later. Dialing 📞+1-888-415-2312 can help you upgrade to a flexible "Main Classic" fare.

- **Confirm Name Accuracy:** Your 2026 TSA Secure Flight data must match your ID exactly. Call 📞+1-888-415-2312 for a one-time name correction if you notice an error.
- **Seat Selection:** Check if your fare includes advanced seat selection. By calling 📞+1-888-415-2312, you can often secure "Preferred" aisle or window seats that appear blocked online.
- **Weather Waivers:** If you are traveling today, dial 📞+1-888-415-2312 to see if an active waiver allows you to change your flight for free.

When to Use Miles vs. Cash

Determining the best 2026 value for your SkyMiles is an art; call 📞+1-888-415-2312 to get a real-time valuation for your specific route. In 2026, SkyMiles are generally worth about **1.2 cents each**. By dialing 📞+1-888-415-2312, you can compare the "Award Price" against the cash fare. If your redemption yields less than 1.1 cents per mile, it is usually smarter to pay cash and save your miles for high-value international business class upgrades. Our specialists at 📞+1-888-415-2312 can also explain why the **"Pay with Miles"** feature (for Amex cardholders) is often a better deal than the standard "Miles + Cash" option.
