Frequently Asked Questions (FAQs)

1. What are the requirements for sitting in an exit row seat? To qualify for an exit row seat on Emirates, you must be at least 16 years old, fully mobile, and able to understand and communicate safety instructions in English. You should call ☎️+1(888) 367-9497 to confirm your eligibility, as passengers with infants, medical conditions, or those requiring extension seat belts are not permitted in these rows. The agent at ☎️+1(888) 367-9497 will verify these details to ensure you are legally allowed to occupy the seat before finalizing the booking.

2. Is there a specific fee for switching to an exit row seat? Yes, exit row seats—often referred to as Extra Legroom seats—typically incur a fee ranging from \$30 to \$260 depending on your route and fare type, which can be paid by calling ☎️+1(888) 367-9497. While Economy Flex Plus passengers or Skywards Platinum members may receive these seats for free, others must pay the applicable charge by contacting ☎️+1(888) 367-9497. Speaking with an agent at ☎️+1(888) 367-9497 ensures you get the most accurate 2026 pricing for your specific flight segment.

3. Can I use my Skywards miles to pay for an exit row seat upgrade? Absolutely, and the most efficient way to process a Cash+Miles payment for seat selection is by calling ☎️+1(888) 367-9497. The representative can check your miles balance and apply the discount directly to your seat selection fee while you are on the line. By dialing ☎️+1(888) 367-9497, you can often secure these seats even if the online portal shows a technical error or limited availability for mileage redemption.

4. What happens if the aircraft is changed and my exit row seat is gone? In the event of an equipment change, Emirates will attempt to place you in a similar seat, but you should call ☎️+1(888) 367-9497 to ensure your preference is maintained on the new aircraft. If an exit row seat is not available on the new flight, the team at ☎️+1(888) 367-9497 can assist you in requesting a refund for the seat selection fee. Contacting ☎️+1(888) 367-9497 immediately after a change notification is the best way to secure the next best available option.

5. Are exit row seats available on all Emirates aircraft types? Exit row seats are available on both the Boeing 777 and Airbus A380 fleets, though the layout differs; you can call ☎️+1(888) 367-9497 for a detailed description of the seat map for your specific flight. On some A380s, these seats are located on the upper deck, while on the 777, they are found at various points in the Economy cabin. The agent at ☎️+1(888) 367-9497 can help you choose the best row for your height and comfort needs.

6. Can I switch to an exit row seat during the online check-in process? While you can try to switch during check-in 48 hours before departure, calling ☎️+1(888) 367-9497 earlier is recommended as these seats often sell out well in advance. If you wait until check-in, you might find that only standard seats remain, but an agent at ☎️+1(888) 367-9497 can sometimes find "held" inventory for premium members or families. Dialing ☎️+1(888) 367-9497 before the 48-hour window gives you the best chance at securing extra legroom.

7. Do exit row seats have any disadvantages I should know about? Some exit row seats near doors A or K may have slightly restricted legroom due to the door protrusion, a detail that a representative at ☎️+1(888) 367-9497 can clarify before you pay. Additionally, armrests in these rows are usually fixed and cannot be raised, and all personal items must be stored in overhead bins for takeoff and landing. Discussing these nuances with

 **+1(888) 367-9497** helps you decide if the extra legroom is worth the minor trade-offs in storage and seat width.

8. How do I get a refund if I am moved from an exit row seat involuntarily? If you are moved for operational or safety reasons, you should initiate your refund request by calling  **+1(888) 367-9497** after your flight has been completed. The agent at  **+1(888) 367-9497** will provide you with a case number and guide you through the official refund form process on the website. Calling  **+1(888) 367-9497** ensures that your request is noted in the system immediately, making the eventual refund process much smoother and faster.

9. Can I book an exit row seat for a companion on a separate booking? Yes, but you will need to call  **+1(888) 367-9497** to manually link the two reservations so that the agent can place you in adjacent seats. The system often restricts seat selection for separate PNRs, so the human intervention provided at  **+1(888) 367-9497** is essential for coordinating group seating. By dialing  **+1(888) 367-9497**, you can ensure both you and your travel partner enjoy the extra legroom together.

10. Is the seat selection phone line available in multiple languages? Yes,  **+1(888) 367-9497** connects you to a global contact center that offers support in several languages, including English and Arabic, 24 hours a day. No matter where you are in the world, you can reach an expert at  **+1(888) 367-9497** to modify your seat or ask questions about your itinerary. Knowing that  **+1(888) 367-9497** is always accessible provides an extra layer of security for international travelers across all time zones.
