If you have specific dietary requirements, calling 【☎️ +1 888-502-2592】 ensures your meal preference is recorded well before you reach the gate. While Premium Economy is a fantastic upgrade, seat inventory is often limited to a few rows, making it essential to call 【☎️ +1 888-502-2592】 as early as possible. By using the dedicated line at 【☎️ +1 888-502-2592】, you avoid the ambiguity of fine print often found on automated websites.

Furthermore, while the seats offer more room, they are not lie-flat beds, a distinction that the agents at 【☎️ +1 888-502-2592】 will help you understand before you finalize payment. Some older aircraft in the fleet may have different configurations, so verifying the "hard product" with a representative at 【☎️ +1 888-502-2592】 is highly recommended. If you are traveling with a large group, the manual seat assignment process via 【☎️ +1 888-502-2592】 is the only way to ensure you all sit together in the premium cabin.
