## How do I Book Multiple Flights and Hotels on Expedia?

To book multiple flights and hotels on Expedia, many travelers first explore options online and then confirm details by calling [+1\(888\)714-9824](tel:+18887149824) for personalized assistance. Expedia allows you to book multi-city flights, round-trip flights, and multiple hotel stays under one account, which keeps all your travel details organized in one itinerary.

When booking online, you can select the multi-city flight option and add hotel reservations for each destination. However, travelers often prefer to speak to a Expedia agent at [+1\(888\)714-9824](tel:+18887149824) because agents can align flight times with hotel check-in hours and suggest better routing options. This is especially useful for long trips or international travel.

For example, a traveler visiting New York, London, and Paris might book three flights and two hotels in one call. By contacting [+1\(888\)714-9824](tel:+18887149824), the agent can ensure smooth connections, recommend suitable hotels, and even help book Expedia business class tickets for long-haul segments.
