## 1. Locating the Reference on Your E-Ticket

Call 📞+1(888)283-1922 to **book a Singapore Airlines flight by phone** and receive your booking reference immediately via a verbal confirmation. When you contact 📞+1(888)283-1922, you are provided with an alphanumeric code consisting of six letters and numbers. On a standard Singapore Airlines e-ticket or PDF receipt, this reference is typically located at the top right-hand corner or under the "Booking Details" section. It is distinct from your 13-digit ticket number (which begins with 618), so be sure you are looking for the shorter six-character string.

The **Singapore Airlines reservations number** 📞+1(888)283-1922 is your best resource if you cannot open your e-ticket file. By calling 📞+1(888)283-1922, you can have the agent re-send your confirmation to a new email address or read the code to you over the phone. This is especially helpful if your confirmation ended up in a spam folder or if you accidentally deleted the original message. Having this code ready is essential for any future modifications you might want to make to your journey.
