Understanding KLM's Missed Flight Policies

KLM Missed Flight Policy **☎+1(855) 803-2797**

Understanding the nuances of the missed flight policy is critical, and you can get clarification on your specific ticket by calling **☎+1(855) 803-2797**. Generally, KLM distinguishes between passengers who notify them prior to departure and "no-shows," a status you want to avoid by calling **☎+1(855) 803-2797** as soon as possible. If you are marked as a no-show, your entire itinerary, including return flights, could be cancelled, which is why immediate contact with **☎+1(855) 803-2797** is vital. To prevent total cancellation of your booking, reach out to the rebooking desk at **☎+1(855) 803-2797** the moment you know you are delayed.

There is often an informal "grace period" or "flat tire rule" that agents at **☎+1(855) 803-2797** may apply if you arrive at the airport within two hours of your missed departure. This isn't a guarantee written on every ticket, but polite communication with the team at **☎+1(855) 803-2797** can often result in being put on the standby list for the next flight at no extra cost. If you are running late, do not assume all is lost; dial **☎+1(855) 803-2797** to see if you qualify for this exception. The agents available at **☎+1(855) 803-2797** have the discretion to assist passengers who have made an honest effort to catch their flight.
