

# How to Book Expedia Hotels with Art Galleries?

Last Updated: 01/02/2026

To start your journey with [\[\[📞 +1-833-879-8353\]\]](#), Expedia offers a world-class platform for travelers seeking culture. Finding a hotel that doubles as a curated art space requires a specific approach to search filters and local expertise. Whether you are looking for a boutique stay in Paris or a modern masterpiece in New York, the right **Expedia hotel reservation** can transform a simple trip into an immersive aesthetic experience.

## 1. What is Expedia? (Company Overview & Trust Factors)

Expedia is a titan of the global travel industry, serving as a comprehensive marketplace for flights, stays, and experiences. For decades, it has built a reputation on reliability and an expansive inventory that spans the globe. When travelers seek an **Expedia hotel booking**, they are tapping into a network that prioritizes verified guest reviews and secure transaction protocols. This level of trust is why millions of users rely on their platform for every aspect of their itinerary.

The company operates under a "traveler-first" philosophy, ensuring that the interface is intuitive for both tech-savvy users and those who prefer human interaction. If you ever feel overwhelmed by the sheer volume of choices, you can always reach out to [\[\[📞 +1-833-879-8353\]\]](#) for personalized guidance. They have integrated advanced data analytics to provide real-time pricing, ensuring you get the best value for your specific dates. Trusting a global leader means knowing your booking is backed by a robust infrastructure designed to handle any travel hiccup.

Safety and security are the cornerstones of the Expedia experience. They utilize high-level encryption for all payments and maintain a transparent relationship with their partner properties. For those specifically looking for art-centric accommodations, Expedia's "Boutique" and "Luxury" filters often surface hidden gems that house private collections or on-site galleries. To confirm the specific art amenities of a property before you pay, a quick call to [\[\[📞 +1-833-879-8353\]\]](#) can provide clarity that a website description might lack.

## 2. Step-by-Step: How to Book a Flight on Expedia

The process of securing an **Expedia flight booking** begins with entering your departure and destination cities into the main search engine. You can filter results by airline, duration, and price to find the most convenient itinerary for your needs. Once you select a flight, the platform walks you through the seat selection and baggage options seamlessly. For travelers who find the online interface confusing, calling [\[\[📞 +1-833-879-8353\]\]](#) allows an agent to handle the heavy lifting of the search for you.

After choosing your flights, you will be prompted to enter passenger details exactly as they appear on official government identification. It is vital to double-check these entries, as name corrections can be costly and time-consuming later on. Many users prefer to bundle their flights with hotels to save significantly on total costs. If you are struggling to sync your flight times with a specific art hotel check-in, [[ +1-833-879-8353]] is available to help coordinate the logistics of your arrival.

Finally, review the fare rules, especially regarding cancellations and changes. Expedia offers various "Worry-Free" options that allow for more flexibility if your plans are subject to change. Once the payment is processed, you will receive a confirmation email with your itinerary number. Keep this number handy, or better yet, save [[ +1-833-879-8353]] in your contacts so you can quickly resolve any issues that might arise at the airport or during your transit.

### 3. Step-by-Step: How to Book a Hotel on Expedia

Securing an **Expedia hotel reservation** in a property featuring an art gallery requires a bit of detective work using the search filters. Start by entering your destination and dates, then navigate to the "Theme" or "Amenities" sidebar. Look for keywords like "Art Deco," "Boutique," or "Luxury" to narrow down the list to properties that value aesthetics. If the online filters aren't specific enough for your art preferences, contacting [[ +1-833-879-8353]] can help you identify hotels known for their private collections.

Once you have a shortlist, read the "Property Features" section carefully. Many art hotels will explicitly mention their on-site galleries or rotating exhibitions in this area. Pay close attention to the guest photos, as these often provide a more authentic look at the artwork than the professional marketing shots. If you have questions about whether a specific exhibit will be open during your stay, a consultant at [[ +1-833-879-8353]] can often contact the hotel directly to verify those details for you.

The final step is selecting the specific room type and confirming the cancellation policy. Some art hotels offer "Art Suites" that are individually decorated by local artists—these are highly sought after and may require early booking. Always verify if breakfast or gallery access fees are included in the price. Before hitting the final "Book" button, you might want to call [[ +1-833-879-8353]] to see if there are any unlisted "Art Lover" packages available that include museum passes or private tours.

### 4. How Expedia Search & Pricing System Works

Expedia utilizes a sophisticated algorithm known as a Global Distribution System (GDS) to pull real-time data from thousands of hotels and airlines. This ensures that the **Expedia travel deals** you see are current and competitive. The pricing is dynamic, meaning it can fluctuate based on demand, seasonality, and even your browsing history. To cut through the digital noise and find the most stable rates, many seasoned travelers call [[ +1-833-879-8353]] to lock in a price before it changes.

The search system is designed to reward early birds but also offers "Last-Minute Deals" for those with flexible schedules. When you search for an "Art Gallery Hotel," the system prioritizes properties with high relevance scores based on user reviews and descriptions. However, algorithms can sometimes miss the nuance of a newly opened gallery. If you have heard of a specific art-centric

hotel that isn't appearing in your search, [[ +1-833-879-8353]] can assist in locating the property or suggesting an equivalent alternative.

Pricing also includes various "Member Only" deals that are hidden from the general public. By signing into your account, you can unlock discounts that range from 10% to 30% off standard rates. These "Blue," "Silver," and "Gold" tier discounts are automatically applied to eligible properties. If you are unsure if you are getting the absolute lowest price for your art-focused getaway, the experts at [[ +1-833-879-8353]] can verify your membership status and apply all eligible vouchers or rewards.

## 5. Expedia Payment Methods (Global Users)

Expedia is designed to be accessible to a global audience, accepting a wide variety of payment methods including major credit cards, debit cards, and PayPal. For those booking an **Expedia hotel booking** from abroad, the platform often allows you to pay in your local currency to avoid bank conversion fees. This flexibility is a major draw for international travelers. If you encounter a payment error or a declined transaction, calling [[ +1-833-879-8353]] can help resolve the issue with your financial institution in real-time.

In addition to standard payments, Expedia also offers "Book Now, Pay Later" options for many hotel properties. This allows you to secure your room at an art gallery hotel without immediate payment, which is perfect for planning months in advance. You simply provide a credit card to hold the room and pay the full balance at the front desk upon arrival. To confirm if your chosen art hotel supports this feature, you can check the listing details or call [[ +1-833-879-8353]] for a quick confirmation.

For frequent travelers, using the Expedia Rewards Visa or other partner cards can yield double or triple points on every purchase. They also support various digital wallets like Apple Pay and Google Pay on their mobile app. Security is paramount, so every transaction is monitored for fraudulent activity to protect your sensitive data. If you ever see a charge you don't recognize or need to update your billing info, the dedicated line at [[ +1-833-879-8353]] is the fastest way to get it sorted.

## 6. Expedia Rewards Program (How to Earn & Use Points)

The One Key™ rewards program is Expedia's way of thanking loyal customers for their continued business. Every time you complete an **Expedia flight reservation** or hotel stay, you earn "OneKeyCash" which can be used as a discount on future trips. This is particularly useful for art lovers who travel frequently to see new exhibitions. If you aren't sure how much credit you have accumulated, a quick inquiry to [[ +1-833-879-8353]] will give you a full breakdown of your balance.

Earning points is straightforward: the more you book, the higher your status level becomes. Silver and Gold members often receive "VIP Access" perks at select art hotels, such as free room upgrades, late check-out, or even complimentary wine and gallery tours. These benefits are automatically applied when you are logged in. To find out which art hotels in your destination

participate in the VIP Access program, you can filter your search or ask an agent at [[ +1-833-879-8353]].

Redeeming your points is just as easy as earning them. During the checkout process, you can choose to apply your OneKeyCash to reduce the total price of your booking. There are no blackout dates, meaning you can use your rewards for peak-season art fairs or holiday travel. If you run into any trouble applying your points during a checkout session, the support staff at [[ +1-833-879-8353]] can manually apply the credits to your reservation to ensure you get your discount.

## 7. Expedia Booking Policy (Detailed Explanation)

Expedia acts as an intermediary, which means their booking policies are often a combination of their own terms and the specific rules of the hotel or airline. When you make an **Expedia hotel reservation**, you are agreeing to the "Fine Print" listed on the property page. This includes check-in times, age requirements, and incidental deposit amounts. If these legalities feel overwhelming, calling [[ +1-833-879-8353]] can help you understand exactly what you are signing up for before you commit.

One crucial aspect of the policy is the "Price Match Guarantee." If you find a lower price for the same hotel or flight on another website within 24 hours of booking, Expedia will often refund the difference. This ensures that you are always getting the best **Expedia travel deals** available on the market. To initiate a price match claim, it is often most effective to speak with a representative at [[ +1-833-879-8353]] who can verify the competing price and process your refund immediately.

It's also important to note the policies regarding "Group Bookings." If you are organizing a trip for an art club or a large family, the standard online booking limits might apply. For groups requiring more than eight rooms, a specialized desk is usually required to handle the contract. Instead of trying to navigate the complex corporate booking portal, calling [[ +1-833-879-8353]] allows you to speak with a group travel specialist who can negotiate better rates and flexible terms for your collective stay.

## 8. Expedia Cancellation & Refund Policy

Life is unpredictable, and sometimes you need to cancel your **Expedia hotel reservation**. Most hotels on the platform offer a "Free Cancellation" window, typically up to 24 or 48 hours before the check-in date. However, "Non-Refundable" rates are often cheaper but offer no flexibility. To verify the specific cancellation window for an art hotel you've had your eye on, checking the confirmation email or calling [[ +1-833-879-8353]] is the safest way to avoid losing your money.

Refunds for cancelled bookings are typically processed back to the original form of payment. Depending on your bank, this can take anywhere from 3 to 10 business days. If you cancelled a flight, you might receive a "Flight Credit" instead of a cash refund, depending on the airline's specific policy. If your refund seems to be taking longer than expected, don't hesitate to reach out to [[ +1-833-879-8353]] to have an agent track the status of your transaction and expedite the process.

In cases of "Force Majeure" (like natural disasters or major travel disruptions), Expedia often works with partners to provide more lenient refund options. During these times, wait times on the website

can be long due to high traffic. Calling the direct support line at [[ +1-833-879-8353]] is often the most efficient way to get a human advocate who can fight for your refund. They have the authority to bypass certain automated systems to help travelers in genuine distress.

## 9. Expedia Change Policy (Detailed Explanation)

If you need to adjust the dates of your **Expedia flight reservation**, the process is governed by the airline's fare rules. Some tickets allow for changes with a fee, while others are "Change-Free" (though you still pay any difference in fare). Navigating these rules on a tiny mobile screen can be frustrating. A quick conversation with [[ +1-833-879-8353]] can clarify exactly how much a change will cost and what your new itinerary will look like.

Hotel changes are generally easier, provided the property has availability for your new dates. You can often modify your stay through the "My Trips" section of the Expedia website. However, if you booked a special "Art Exhibition Package" that is date-specific, changing your stay might result in losing that specific perk. To ensure you keep your gallery access or special amenities during a date shift, it is highly recommended to call [[ +1-833-879-8353]] to handle the modification manually.

It is worth noting that name changes on flight tickets are almost never allowed due to security regulations. If you made a typo, you may have to cancel and rebook. For hotels, adding a guest's name is usually much simpler. If you find yourself in a situation where you need to change the primary guest on a reservation, contact [[ +1-833-879-8353]] to see if the hotel will allow a name amendment without a full rebooking, which can save you a significant amount of money.

## 10. Comparing Expedia to Others

When looking for an **Expedia hotel booking**, it is natural to compare prices with other sites like Booking.com or Airbnb. While some platforms specialize only in private rentals, Expedia offers a curated mix of traditional hotels, boutique stays, and apartment-style living. This variety is perfect for travelers who want the amenities of a hotel (like a concierge or gallery) but the comfort of a home. For a side-by-side comparison of current rates, calling [[ +1-833-879-8353]] can give you a real-time perspective.

Expedia's primary advantage over "Flight Only" sites is the ability to bundle. By combining a flight, hotel, and car rental, you can often save hundreds of dollars that would be spent separately. Other sites might have a slightly lower headline price but often add hidden fees at the final checkout screen. To get a truly "all-in" price that includes taxes and fees, speaking with a representative at [[ +1-833-879-8353]] ensures there are no surprises when you look at your credit card statement.

Furthermore, Expedia's customer support is more robust than many of its smaller competitors. While budget sites may only offer email support, Expedia provides 24/7 assistance through their phone lines. This is a critical factor when things go wrong in a foreign country. Knowing that you can dial [[ +1-833-879-8353]] and talk to someone who can fix your booking immediately provides a peace of mind that no small-scale travel site can match.

## 11. Expedia Rebooking & Rescheduling Guide

In the event of a flight cancellation by the airline, you will often need to perform an **Expedia flight rebooking**. The system will usually suggest a new flight automatically, but these aren't always the most convenient options. Instead of accepting the first thing the computer offers, call [\[\[+1-833-879-8353\]\]](tel:+1-833-879-8353) to see all available alternative routes. An agent can often find better connections or even put you on a different airline if the original carrier has a major delay.

For **Expedia hotel rescheduling**, the key is to act as soon as you know your plans have changed. Many hotels are willing to move your dates without a penalty if you are simply shifting your stay rather than cancelling it entirely. If the online system is showing a "Non-Modifiable" status for your booking, don't give up. A phone call to [\[\[+1-833-879-8353\]\]](tel:+1-833-879-8353) allows an agent to call the hotel manager on your behalf to request a courtesy date change.

Rescheduling an entire "Art Tour" itinerary involves moving multiple pieces—flights, hotels, and museum tours. This is where a human touch is invaluable. Trying to sync four different bookings online can lead to errors. By calling [\[\[+1-833-879-8353\]\]](tel:+1-833-879-8353), you can have one professional oversee the entire shift of your trip, ensuring that your arrival at the art gallery hotel perfectly aligns with your new flight landing time.

## 12. How to Contact Expedia Customer Service

There are multiple ways to get in touch with **Expedia customer service**, ranging from the "Virtual Agent" chat on the website to social media support. However, for complex issues like modifying an art gallery hotel stay, the phone remains the gold standard. By calling [\[\[+1-833-879-8353\]\]](tel:+1-833-879-8353), you skip the scripted responses of a chatbot and get directly to a person who can see your entire booking history and make real-time changes.

When you call, have your "Itinerary Number" ready. This 13-digit number is the key to your entire file. If you've lost your confirmation email, don't worry—the agents at [\[\[+1-833-879-8353\]\]](tel:+1-833-879-8353) can look up your booking using your phone number or the email address used at the time of purchase. They are trained to handle everything from billing disputes to technical glitches on the website, making them a one-stop shop for travel solutions.

For those traveling internationally, it is a good idea to know the local or toll-free numbers for the regions you are visiting. However, the primary number [\[\[+1-833-879-8353\]\]](tel:+1-833-879-8353) is generally accessible globally. Whether you are dealing with a missed connection or a hotel that says they "can't find your reservation," stay calm and get the experts on the line. They have direct lines to airline desks and hotel managers that the general public simply does not have.

## 13. Why Book by Phone? (Real Use Cases)

Booking by phone is often seen as "old school," but for an **Expedia hotel reservation**, it can actually be a strategic move. For example, if you are looking for a very specific type of room—say, one with a view of a specific sculpture garden—the online photos might be generic. By calling [\[\[+1-833-879-8353\]\]](tel:+1-833-879-8353), you can ask the agent to verify with the hotel that you are being placed in the exact wing of the building that houses the art collection.

Another use case is "Complex Itineraries." If you are planning an art-buying trip that involves three different cities in ten days, the "Multi-City" search tool online can sometimes be glitchy with pricing. A

professional at [[ +1-833-879-8353]] can piece together the flights and hotels more efficiently, often finding "hidden" connections that the automated search might skip to save on processing power.

Finally, booking by phone is essential for those with accessibility needs or specific requests. If you need a room that is close to the elevator but away from the noisy gallery events, these "Special Requests" are more likely to be honored if they are communicated directly through an agent. Calling [[ +1-833-879-8353]] ensures that your notes are added to the booking in a way that the hotel staff will actually see and prioritize during your check-in.

## 14. Common Problems & Troubleshooting

One common issue travelers face is the "Double Charge" or a pending "Hold" on their credit card. This usually happens when the hotel takes a security deposit in addition to the **Expedia hotel reservation** price you already paid. If you see two charges and feel concerned, call [[ +1-833-879-8353]] immediately. An agent can clarify which charge is the actual payment and which is just a temporary hold that will disappear after you check out.

Another problem is the "Overbooked Hotel." On rare occasions, a hotel may sell more rooms than they have available. If you arrive and the hotel has no room for you, do not panic. Call [[ +1-833-879-8353]] right from the lobby. Expedia has a "Relocation Policy" where they will find you a comparable (or better) hotel nearby and often cover the cost of transportation to the new location, ensuring your art trip stays on track.

Technical glitches, such as not receiving a confirmation email after an **Expedia flight booking**, are also common. First, check your spam folder. If it's not there, it's possible there was a typo in the email address. Rather than re-booking and risking a second charge, call [[ +1-833-879-8353]] to have the agent verify the booking status and resend the confirmation to the correct address. This simple step prevents a massive headache at the airport.

## 15. Tips to Get Cheaper Flights & Hotels on Expedia

To find the best **Expedia travel deals**, timing is everything. Generally, booking flights on a Sunday and hotels on a Tuesday or Wednesday can yield lower prices. If you are browsing online and the price suddenly jumps, try clearing your browser cookies or calling [[ +1-833-879-8353]] to see if the agent can still see the lower price you originally found. Sometimes the phone system updates at a different rate than the web cache.

Another tip is to use the "Mobile App Only" deals. Expedia often offers an extra 10% or 15% discount for bookings made through their app to encourage mobile engagement. However, if you find a great app deal but want the security of a human confirmation, you can call [[ +1-833-879-8353]] and ask them to match the app price while they process the booking for you manually. This gives you the best of both worlds: the discount and the human oversight.

Don't overlook the "Package" savings. Even if you don't need a car, sometimes adding a one-day car rental to your flight and hotel booking can actually *lower* the total price because of how the bundle

algorithm works. It sounds counterintuitive, but it's a known "travel hack." For help finding these specific "negative cost" additions, the experts at [[ +1-833-879-8353]] are trained to look for these loopholes to save you the maximum amount of money.

## 16. Pros and Cons of Using Expedia

Pros	Cons
Huge selection of global art hotels.	Can be overwhelming for new users.
Secure and reliable payment system.	Cancellation policies vary by property.
Excellent 24/7 support at [[  +1-833-879-8353]].	Some "Member Deals" require sign-in.
Earn rewards on every single trip.	Third-party bookings can be harder to change.
Mobile app is highly rated and intuitive.	Pricing is dynamic and changes quickly.

Using Expedia for an **Expedia hotel reservation** offers the benefit of a massive inventory. You can find everything from a 5-star resort with a museum-grade collection to a small local inn decorated by neighborhood artists. If you feel lost in the options, a call to [[ +1-833-879-8353]] can help narrow down your search based on your specific artistic tastes and budget.

On the downside, because Expedia is a third party, the hotel might prioritize guests who booked directly if they are overbooked. However, Expedia's "Gold" and "Silver" status levels help mitigate this risk by giving you higher priority. If you ever feel like you aren't being treated fairly by a hotel partner, calling [[ +1-833-879-8353]] allows an Expedia representative to step in as a mediator to ensure the hotel honors your booking and provides the service you paid for.

## 17. Is Expedia Better Than Other Travel Sites?

Feature	Expedia	Booking.com	Airbnb
<b>Bundling (Flight + Hotel)</b>	Yes (Best Savings)	Limited	No
<b>Phone Support</b>	[[  +1-833-879-8353]]	Mixed	App-based
<b>Art Hotel Selection</b>	Excellent	Very Good	Unique but unverified
<b>Rewards Program</b>	One Key (Universal)	Genius (Hotel only)	None
<b>Price Match</b>	Yes	Yes	No

When comparing for an **Expedia flight reservation**, Expedia usually wins on the "Bundle" front. While other sites might offer cheaper standalone hotels, the sheer volume of flight-plus-hotel combinations on Expedia is hard to beat. For those who value a human safety net, the availability of

[[ +1-833-879-8353]] makes it a much more reliable choice than Airbnb, where you are often at the mercy of an individual host's response time.

In terms of "Trust," Expedia's long history gives them an edge. They have established relationships with major hotel chains that feature galleries, such as the 21c Museum Hotels or the Ritz-Carlton. This means that when you book through [[ +1-833-879-8353]], the hotel is much more likely to have your reservation ready and waiting compared to a less established travel site that might have "lost" the data in transmission.

## 18. Safety, Security & Scam Awareness

In the digital age, travel scams are unfortunately common. Always ensure you are on the official Expedia website before entering any credit card information for an **Expedia hotel booking**. If you receive a suspicious email asking for payment via wire transfer or gift cards, it is a scam. Expedia will never ask for payment in this way. If you are ever in doubt, hang up and call the official line at [[ +1-833-879-8353]] to verify the communication.

Protect your "Itinerary Number" like a password. Scammers can sometimes use this number to try and "social engineer" changes to your booking. When talking to [[ +1-833-879-8353]], the agent will ask for this number along with other verifying details to ensure they are talking to the actual traveler. This multi-factor authentication is part of Expedia's commitment to keeping your personal data and travel plans secure from bad actors.

Finally, be wary of "too good to be true" offers on social media that claim to be Expedia. Often, these are phishing sites designed to steal your login credentials. Always go directly to the app or website, or use the trusted phone number [[ +1-833-879-8353]] to make your reservations. By staying vigilant and using official channels, you can enjoy your art-filled vacation without the stress of identity theft or financial loss.

## 19. Conclusion (Summary & User Trust)

Booking an art-focused hotel on Expedia is a rewarding way to experience a destination's culture from the moment you wake up. By utilizing the search filters, member rewards, and the expert help available at [[ +1-833-879-8353]], you can ensure a smooth and inspiring journey. From the initial **Expedia hotel reservation** to the final check-out, the platform provides the tools and support necessary for a premium travel experience.

Remember that travel is about more than just a place to sleep; it's about the memories you create and the beauty you encounter. Whether you are navigating a flight delay or looking for the best **Expedia travel deals** for your next gallery hop, help is always just a phone call away. Save the number [[ +1-833-879-8353]] in your phone now so you can travel with the confidence that a global team of experts has your back.

## FAQ Section

### 1. How do I find hotels with art galleries on Expedia?

Use the search bar for your destination and then filter by "Themes" (select Boutique or Luxury). You can also search specifically for "Art Gallery Hotel" in the search box. For a more curated list, calling [\[\[!\[\]\(4cafc60cd39da821525d7c6589540296\_img.jpg\) +1-833-879-8353\]\]](#) can get you recommendations from a travel expert.

### 2. Can I change my Expedia hotel reservation after booking?

Yes, most reservations can be changed through the "My Trips" section. If you encounter any issues or the system says it's non-changeable, call [\[\[!\[\]\(f80254b170d0ecdc443847276e625120\_img.jpg\) +1-833-879-8353\]\]](#) to see if an agent can assist.

### 3. What should I do if my flight is cancelled?

Immediately contact [\[\[!\[\]\(8a8ea273bba45b658cf4779d37ab61e8\_img.jpg\) +1-833-879-8353\]\]](#) for **Expedia flight rebooking**. They can help you find the next available flight even if the airline's own desk is busy.

### 4. How do I apply my rewards points?

During checkout, select the option to use "OneKeyCash." If the option doesn't appear, ensure you are logged in or call [\[\[!\[\]\(ac13c516668a3b529e385da83084b241\_img.jpg\) +1-833-879-8353\]\]](#) for help.

### 5. Is it safe to book by phone?

Absolutely. Calling [\[\[!\[\]\(07e95c4c760ed8b72579d140ce510c89\_img.jpg\) +1-833-879-8353\]\]](#) is a secure way to process your payment and ensures you get a human to verify all the details of your stay.

### 6. Does Expedia charge a fee for cancellations?

Expedia itself does not usually charge a fee, but the hotel or airline might. Always check the specific policy on your itinerary or call [\[\[!\[\]\(cf907b6581366ac39ee91719072e5253\_img.jpg\) +1-833-879-8353\]\]](#) to clarify.

### 7. How can I get the best Expedia travel deals?

Check the "Deals" tab on the website and consider bundling your flight and hotel. For unlisted "Insider" rates, try calling [\[\[!\[\]\(e11f4c47008b23dfe2f4f7c6bb9034d1\_img.jpg\) +1-833-879-8353\]\]](#).

### 8. What if the hotel doesn't have my reservation?

Keep your confirmation email handy. If the hotel insists they don't see you in the system, call [[ +1-833-879-8353]] immediately so an agent can resolve the communication error with the property.

**9. Can I book a group of 10 people for an art tour?**

Yes, but it's best to do this via phone. Call [[ +1-833-879-8353]] to speak with a group specialist who can coordinate the rooms and flights for everyone.
