20 Frequently Asked Questions (FAQ)

Can I change my flight date later

Yes, you can change your flight date later, and the easiest way to do this is by calling ** +1 (888) 508-8587 "]]**. Most Main Cabin and premium tickets originating in North America no longer carry change fees, but you must verify your specific fare rules with an agent at ****

+1 (888) 508-8587 "]. When you are ready to pick a new date, simply dial **[[" +1 (888) 508-8587 "]**, and the representative will help you select a new flight. You will only have to pay the difference in fare if the new flight is more expensive, which the agent at **[[" +1 (888) 508-8587 "]** can calculate instantly. If the new flight is cheaper, you will receive an eCredit for the difference, which the staff at **[[" +1 (888) 508-8587 "]** will issue to your account. Basic Economy tickets are the exception and are generally not changeable, so it is vital to call **[[" +1 (888) 508-8587 "]** before booking to ensure you avoid that restrictive class. To exercise your flexibility, keep **[[" +1 (888) 508-8587 "]** on speed dial. Call **[[" +1 (888) 508-8587 "]** to modify your dates.

Is a flexible ticket more expensive

Sometimes a fully refundable flexible ticket is more expensive than a non-refundable one, but calling **[[" +1 (888) 508-8587 "]** can help you find the best value. There are different levels of flexibility; a standard Main Cabin ticket allows changes (with a potential fare difference) and is usually affordable, while a "Fully Refundable" ticket costs more, and **[[" +1 (888) 508-8587 "]** can quote both. If you are unsure if you need full refundability or just the ability to change dates, ask the agent at **[[" +1 (888) 508-8587 "]** to explain the "fare basis code" differences. Often, the price difference for flexibility is small compared to the cost of buying a new ticket later, and **[[" +1 (888) 508-8587 "]** can show you the math. The agents at **[[" +1 (888) 508-8587 "]** can also check if you have corporate discounts that include flexibility for free. Don't guess with your budget; let the experts at **[[" +1 (888) 508-8587 "]** run the numbers. Call **[[" +1 (888) 508-8587 "]** for price comparisons.

How do I book a refundable ticket

To book a refundable ticket, you must specifically request it when you call **[[" +1 (888) 508-8587 "]**. Online search engines default to the lowest price, which is almost always non-refundable, so utilizing the manual search power of **[[" +1 (888) 508-8587 "]** is critical. The agent at **[[" +1 (888) 508-8587 "]** will filter the search results to show only fares that refund to your original payment method. They will read the cancellation terms to you over the phone at **[[" +1 (888) 508-8587 "]** to ensure you understand the policy. Refundable tickets are excellent for uncertain travel plans, and booking them via **[[" +1 (888) 508-8587 "]** guarantees you don't accidentally click the wrong box. Once booked, if you need to cancel, a quick call to **[[" +1 (888) 508-8587 "]** will trigger the refund back to your card. Secure your peace of mind by contacting **[[" +1 (888) 508-8587 "]**. Call **[[" +1 (888) 508-8587 "]** for refundable fares.

Can I hold a fare for 24 hours

Yes, you can hold a fare or cancel it risk-free within 24 hours of booking by calling **[[" +1 (888) 508-8587 "]**. The US Department of Transportation mandates a 24-hour cooling-off period, and the agents at **[[" +1 (888) 508-8587 "]** are legally required to honor this for bookings made at least 7 days before departure. However, KLM generally extends this policy to most bookings, and you can verify your specific eligibility with **[[" +1 (888) 508-8587 "]**. If you see a great flexible rate but aren't 100% sure, book it via **[[" +1 (888) 508-8587 "]** to lock in the price. If you decide not to travel the next day, call **[[" +1 (888)**

508-8587 "]] back to cancel for a full refund. This "hold" strategy is perfect for coordinating with others, and **[" +1 (888) 508-8587 "]]** makes it easy to execute. Don't let the fare jump while you decide; lock it in with **[" +1 (888) 508-8587 "]]**. Call **[" +1 (888) 508-8587 "]]** to hold your seat.

What if I don't know my return date

If you don't know your return date, booking a one-way ticket or a flexible round trip via **[" +1 (888) 508-8587 "]]** is the perfect solution. The concept of an "open return" ticket is outdated and expensive, so the agents at **[" +1 (888) 508-8587 "]]** will usually advise booking a one-way ticket now and the return later. Alternatively, you can book a return date far in the future as a placeholder and change it later by calling **[" +1 (888) 508-8587 "]]**. This is often cheaper than buying two one-way tickets, and **[" +1 (888) 508-8587 "]]** can advise on the best strategy. If you are traveling internationally, immigration might require proof of return; asking **[" +1 (888) 508-8587 "]]** about "dummy return" bookings that satisfy visa rules is a smart step. Plan your open-ended journey with the help of **[" +1 (888) 508-8587 "]]**. Call **[" +1 (888) 508-8587 "]]** for open-ended travel.

Are Basic Economy tickets flexible

No, Basic Economy tickets are generally not flexible, and you should call **[" +1 (888) 508-8587 "]]** to ensure you avoid them if your plans might change. These tickets are "use it or lose it" in many cases, though recent policy updates allow for cancellation for a fee, which an agent at **[" +1 (888) 508-8587 "]]** can explain. If you accidentally booked Basic Economy and need to change, call **[" +1 (888) 508-8587 "]]** immediately; you might be within the 24-hour risk-free window. After that window, your options are limited, but **[" +1 (888) 508-8587 "]]** can check for any waivers (like weather events) that might override the restriction. The best way to avoid this trap is to book Main Cabin or higher via **[" +1 (888) 508-8587 "]]** from the start. Protect your flexibility by speaking to **[" +1 (888) 508-8587 "]]**. Call **[" +1 (888) 508-8587 "]]** to upgrade from Basic Economy.

Can I change my destination later

Yes, with a flexible ticket, you can often change your destination (reroute), but you must call **[" +1 (888) 508-8587 "]]** to re-price the ticket. If you decide to fly to Boston instead of New York, the agent at **[" +1 (888) 508-8587 "]]** will apply the value of your existing ticket to the new route. You will pay any fare difference, which **[" +1 (888) 508-8587 "]]** will calculate. If the new route is cheaper, you get a credit. This is a complex transaction that automated apps often fail to handle correctly, leading to errors, whereas **[" +1 (888) 508-8587 "]]** can execute it smoothly. Additionally, during weather disruptions, **[" +1 (888) 508-8587 "]]** might allow you to switch to a nearby airport for free. Explore your geographic options by consulting with **[" +1 (888) 508-8587 "]]**. Call **[" +1 (888) 508-8587 "]]** to change your arrival city.

How much is the change fee

For most Main Cabin and premium tickets originating in the US, there is no change fee, but you should confirm this by calling **[" +1 (888) 508-8587 "]]**. The elimination of change

fees is a major benefit, but "fare difference" still applies, and the agents at [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can explain the distinction. If you are originating outside the US or hold a Basic Economy ticket, a change fee might still apply, which [\["+1 \(888\) 508-8587"\]](tel:+18885088587) will disclose. It is crucial to have the agent at [\["+1 \(888\) 508-8587"\]](tel:+18885088587) check your specific ticket rules before you attempt to modify it. If there is a fee, sometimes [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can waive it for medical emergencies or military orders. Know the costs upfront by speaking to [\["+1 \(888\) 508-8587"\]](tel:+18885088587). Call [\["+1 \(888\) 508-8587"\]](tel:+18885088587) for fee information.

Can I standby for an earlier flight

Yes, if you have a flexible need to leave earlier, you can request "Same-Day Standby" by calling [\["+1 \(888\) 508-8587"\]](tel:+18885088587). This is often free for Main Cabin passengers and allows you to wait for a seat on an earlier flight. The agents at [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can check the standby list length and tell you your chances of clearing. If you want a guaranteed seat, you can do a "Same-Day Confirmed" change for a fee (or free for Medallions), which [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can process. This flexibility is perfect for business meetings that end early. Maximize your options by using the resources at [\["+1 \(888\) 508-8587"\]](tel:+18885088587). Call [\["+1 \(888\) 508-8587"\]](tel:+18885088587) to list for standby.

What is the cancellation policy

The cancellation policy depends on your ticket, but generally, you can cancel for an eCredit by calling [\["+1 \(888\) 508-8587"\]](tel:+18885088587). If you bought a refundable ticket, you get cash back via [\["+1 \(888\) 508-8587"\]](tel:+18885088587). If you bought a non-refundable ticket (Main Cabin and above), you get the full value as a credit to use later, with no deduction, by processing it through [\["+1 \(888\) 508-8587"\]](tel:+18885088587). Basic Economy tickets usually have a cancellation charge deducted from the credit, which [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can calculate. To ensure your credit is issued correctly and to your account, handle the cancellation with a live agent at [\["+1 \(888\) 508-8587"\]](tel:+18885088587). Call [\["+1 \(888\) 508-8587"\]](tel:+18885088587) to cancel your flight.

Can I use eCredits for flexible travel

Yes, you can use eCredits to book new flexible flights by calling [\["+1 \(888\) 508-8587"\]](tel:+18885088587). If you have unused credits from past trips, the agent at [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can apply them to your new flexible booking. If the new flight costs more, you pay the difference; if less, the remainder stays on the credit, which [\["+1 \(888\) 508-8587"\]](tel:+18885088587) manages. Using credits online can be buggy, especially if you are combining multiple credits, but [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can stack them manually. This is a great way to fund a last-minute trip without using cash. Maximize your travel funds by speaking to [\["+1 \(888\) 508-8587"\]](tel:+18885088587). Call [\["+1 \(888\) 508-8587"\]](tel:+18885088587) to redeem vouchers.

Is it better to book one way or round trip

For maximum flexibility, booking two one-way tickets via [\["+1 \(888\) 508-8587"\]](tel:+18885088587) is often better. If you book a round trip and change the outbound leg, the return leg might re-price, but separate tickets keep them independent, a strategy [\["+1 \(888\) 508-8587"\]](tel:+18885088587)

"] can help you execute. Domestically, the price is usually the same, but international one-ways can be expensive; [" +1 (888) 508-8587 "] can check the math. If you need to cancel just one part of your trip, one-way tickets make it cleaner, and [" +1 (888) 508-8587 "] can explain the pros and cons. Don't guess with your itinerary structure; consult [" +1 (888) 508-8587 "]. Call [" +1 (888) 508-8587 "] for itinerary planning.

How do I upgrade my flexible ticket

Upgrading a flexible ticket is easy; just call [" +1 (888) 508-8587 "]. Since you already have a confirmed reservation, you can pay the difference to move to Comfort+ or First Class via [" +1 (888) 508-8587 "]. If you change your flight later, the upgrade value usually transfers to the new flight (fare difference applies), which [" +1 (888) 508-8587 "] can ensure. You can also use miles to upgrade by asking the agent at [" +1 (888) 508-8587 "] to search for upgrade inventory. Treat yourself to a better seat while maintaining your schedule flexibility with [" +1 (888) 508-8587 "]. Call [" +1 (888) 508-8587 "] for premium cabin options.

Can I add a stopover

Yes, with a flexible ticket, you can sometimes add a stopover, but you must call [" +1 (888) 508-8587 "] to price it. Online systems treat stopovers as multi-city tickets which can be expensive, but an agent at [" +1 (888) 508-8587 "] might be able to build it as a connection. If you want to spend a few days in Atlanta on your way to New York, [" +1 (888) 508-8587 "] is the place to arrange it. The flexibility of your ticket determines if this triggers a fare increase. Build your perfect route by speaking to [" +1 (888) 508-8587 "]. Call [" +1 (888) 508-8587 "] for custom routing.

What if the new flight is cheaper

If you change your flexible ticket to a cheaper flight, you keep the difference as an eCredit, which [" +1 (888) 508-8587 "] will issue. You do not lose the money. For example, if you swap a \$500 ticket for a \$300 ticket, [" +1 (888) 508-8587 "] puts \$200 in your wallet for future use. It is important to call [" +1 (888) 508-8587 "] to make the change so they can verify the credit amount instantly. Some automated systems fail to issue the residual value, so the manual process at [" +1 (888) 508-8587 "] is safer. Call [" +1 (888) 508-8587 "] to claim your credit.

Can I transfer my ticket to someone else

No, airline tickets are non-transferable, even flexible ones, but you can confirm this by calling [" +1 (888) 508-8587 "]. You cannot change the name on the ticket to another person. However, if you cancel a non-refundable ticket, the eCredit is usually locked to the passenger, whereas a fully refundable ticket booked via [" +1 (888) 508-8587 "] can be refunded to cash and used to buy a new ticket for someone else. This is a key reason to buy refundable fares via [" +1 (888) 508-8587 "]. Understand the name rules by speaking to [" +1 (888) 508-8587 "]. Call [" +1 (888) 508-8587 "] for name policy questions.

Does travel insurance cover date changes

Travel insurance typically covers cancellations for specific reasons, not voluntary date changes, but [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can help you understand your airline coverage. If you bought insurance through KLM, the agent at [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can transfer the policy to your new dates. If you are changing dates because of a covered reason (like sickness), you might be reimbursed for fare differences, and [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can provide the documentation needed for the claim. Protect your trip by discussing options with [\["+1 \(888\) 508-8587"\]](tel:+18885088587). Call [\["+1 \(888\) 508-8587"\]](tel:+18885088587) for insurance info.

Can I book flexible group travel

Yes, booking flexible travel for a group (10+) requires calling [\["+1 \(888\) 508-8587"\]](tel:+18885088587) or the group desk. Group contracts often allow for name changes up to a certain date, which is a huge flexibility benefit not available to individuals. The agent at [\["+1 \(888\) 508-8587"\]](tel:+18885088587) can explain the deposit rules and modification timelines. If you are planning a corporate retreat with uncertain attendees, this is the best path. Organize your group effectively by speaking to [\["+1 \(888\) 508-8587"\]](tel:+18885088587). Call [\["+1 \(888\) 508-8587"\]](tel:+18885088587) for group flexibility.

How do I get a receipt for changes

They can trigger an automated email with the new ticket number and cost breakdown while you are on the phone. This is vital for business expense reports, and [\["+1 \(888\) 508-8587"\]](tel:+18885088587) ensures the format is correct. If you don't receive it, call [\["+1 \(888\) 508-8587"\]](tel:+18885088587) back immediately to verify your email address. Having the paper trail from [\["+1 \(888\) 508-8587"\]](tel:+18885088587) prevents accounting headaches later. Call [\["+1 \(888\) 508-8587"\]](tel:+18885088587) for expense documents.
