Frequently Asked Questions (FAQs)

1. How do I request extra legroom seats after I have already booked? To request extra legroom, simply call **[+1(888) 367-9497]** with your booking reference ready. The agent will access your reservation and show you available "Extra Legroom" seats, which are typically located in exit rows or the front of the cabin. By calling **[+1(888) 367-9497]**, you can pay for the upgrade instantly and receive an updated seat assignment via email, ensuring your comfort is locked in well before your departure date.

2. What is the cost for a stretch seating upgrade on Lufthansa? The price for extra legroom varies depending on the flight duration and destination, but you can get an exact quote by calling [+1\(888\) 367-9497](tel:+18883679497). Typically, these seats range from \$50 to \$150 for international segments. The experts at [+1\(888\) 367-9497](tel:+18883679497) will provide a breakdown of the costs for your specific route, helping you decide if the added space fits within your travel budget for your upcoming 2026 journey.

3. Are there age restrictions for sitting in extra legroom exit rows? Yes, exit row seats have strict safety regulations, and calling [+1\(888\) 367-9497](tel:+18883679497) is the best way to verify if you qualify. Passengers must be at least 16 years old, fluent in English or German, and physically capable of assisting in an emergency. By discussing these requirements with an agent at [+1\(888\) 367-9497](tel:+18883679497), you avoid being moved to a standard seat at the gate due to a failure to meet these safety standards.

4. Can I use my Miles & More points to pay for a seating upgrade? Absolutely, you can use your loyalty points to secure better seating by calling [+1\(888\) 367-9497](tel:+18883679497). The representative will check your current balance and apply the necessary miles to confirm your stretch seating. Calling [+1\(888\) 367-9497](tel:+18883679497) is often more reliable than the online portal for point-based transactions, as agents can manually verify that the mileage deduction and seat confirmation are processed simultaneously without errors.

5. Is stretch seating the same as Premium Economy? No, and calling [+1\(888\) 367-9497](tel:+18883679497) can help clarify the difference for your specific aircraft. Stretch seating usually refers to standard economy seats with extra pitch, while Premium Economy is a separate cabin with wider seats and enhanced service. The team at [+1\(888\) 367-9497](tel:+18883679497) can explain the amenities of both options, allowing you to choose the level of luxury that best suits your travel needs.

6. What happens if my aircraft is changed after I pay for an upgrade? If an aircraft swap occurs, you should call [+1\(888\) 367-9497](tel:+18883679497) to ensure your seating preference is maintained on the new plane. Automated systems may sometimes move you to a standard seat during a tail-swap. By contacting [+1\(888\) 367-9497](tel:+18883679497), an agent can manually reassign you to an equivalent extra legroom seat or process a refund if the new aircraft does not have an available stretch option.

7. Can I book a neighbor-free seat for extra horizontal stretch? Yes, Lufthansa offers the ability to book an empty seat next to you, and you can arrange this by calling [+1\(888\) 367-9497](tel:+18883679497). This provides a significant amount of personal space and horizontal stretch room. The staff at [+1\(888\) 367-9497](tel:+18883679497) will provide pricing for this "Free Neighbour Seat" service, which is available on many continental and intercontinental routes to enhance your overall cabin experience.

8. Are bulkhead seats considered stretch seating? Bulkhead seats often offer more knee room because there is no seat in front of you, and you can confirm this by calling [+1\(888\) 367-9497](tel:+18883679497). These seats are ideal for travelers who dislike having a seat reclined into their space. By calling [+1\(888\) 367-9497](tel:+18883679497), you can ask about the specific legroom dimensions for bulkhead rows on your flight, as these can vary significantly between different aircraft models in the fleet.

9. Can I request a seating upgrade for a passenger with limited mobility? Special seating arrangements for passengers with disabilities can be managed by calling [\[+1\(888\) 367-9497\]](#). While exit rows are not allowed for those with limited mobility, agents can find "easy access" seats near the front of the cabin. The team at [\[+1\(888\) 367-9497\]](#) is trained to handle these sensitive requests, ensuring that the passenger is comfortable and that all medical or assistance needs are documented in the reservation.

10. How late can I call to upgrade my seat? You can generally call [\[+1\(888\) 367-9497\]](#) to upgrade your seat up to 24 hours before your flight departs. However, for the best selection of stretch seating, it is recommended to call as early as possible. By dialing [\[+1\(888\) 367-9497\]](#) several weeks in advance, you have the highest chance of securing the most desirable rows before they are taken by other savvy travelers looking for a more comfortable flight.
