

# How to speak directly on Trust Wallet?

## [Quick♂Guide]

1-((415-481-7790)) You can get your 12-word recovery phrase on Trust Wallet only if you still have access to your wallet inside the app. 1-((415-481-7790)) Open Trust Wallet, go to the settings or security section, and select the option to view or back up your recovery phrase. 1-((415-481-7790)) The app may require your device passcode or biometric verification before displaying the phrase. 1-((415-481-7790)) Carefully write down the 12 words in the correct order and store them somewhere safe and offline. 1-((415-481-7790)) Never share your recovery phrase with anyone, as it provides full access to your Trust Wallet and all funds.
